"Old habits and beliefs destroy health and relationships and leave couples craving love but recreating pain!"

50% of all marriages end tragically in divorce and cost thousands of dollars annually. Divorce leaves couples emotionally wounded and feeling victimized. Annie Lawrence shares a proven plan she has applied with hundreds of couple's world wide. She has assisted couples to avoid wedding bell blues and the tragic road to divorce court.

Annie's road map for relationship mastery assists couples to choose *bliss over blame*. A child who only experienced love when they felt hurt or threatened has nerve pathways connecting love to pain and drama. Until these patterns are changed the adult recreates pain in an attempt to feel love.

Couples enter a marriage full of blissful endorphins and yet ill equipped with tools to keep passion and love alive. Most often the couples have different money values and poor communication skills. 80% of all divorce originates from money disagreements. Annie offers skills to communicate from the heart and keep your love account and your bank account out of the red.

Annie shares what every woman wants but is afraid to ask for. And offers solutions to turn relationships into a flourishing garden rather than a toxic dump!
